GLADIOLUS PRICE LIST

FALL 1930

At these prices all bulbs are PREPAID anywhere in the United States and Canada and all countries in the Postal Union. Transit charges to countries that require them are not paid.

Packages of bulblets run about seventy-five to one hundred. They are not counted but are good value.

5 bulbs at 10 rate; 25 at 100 rate; Bulblets, 250 at 1000 rate.

EXTRAS ON ORDERS: On cash orders of \$2.00 to \$5.00 you can select 5% extra in bulbs. From \$5.00 to \$25.00 select 10% extra, \$25.00 to \$50.00 select 15% extra and above \$50.00 select 20% extra.

These extras are not for quantities priced for 1000. Also does not include the varieties, "Picardy," "Pirate," "Bagdad," "Golden Spray," "Sultan," or "Hercules."

On cash orders of \$10.00 or more priced per each and per 10 I will give a copy of the "Gladiolus Book" by Rockwell, a very excellent book on growing gladiolus, if you ask for it.

I always mean to be generous in filling orders and send out only first class stock true to name. If you are interested in some special variety as an extra just mention it and if the price is in reason according to the size of your order I may be able to slip in a bulb.

On orders of \$50.00 or more of items priced per each, 10 and 100, I will give a bulb of a pink Palmer seedling valued at \$10.00.

I guarantee my bulbs to be as good as can be had from anyone and better than most of them. I have dug the finest crop I ever had. Plump, heavy, high crowned, healthy bulbs that I am proud to send out. I am sure they will give good results.

On some of the items my prices are very low and I feel sure that some sizes will be sold out before my regular catalog is out in January. There are many items of which I have a limited supply and very likely this list contains quite a number of varieties that will not appear in my catalog. So it would be well to get your order in as early as possible. If you cannot spare all cash you can send 25% cash and the balance later.
